Course Fees and Refunds Policy

1. Students

The Institute of Skills and Training Australia policy on the refund of tuition fees for international students has been developed in accordance with the Education Services for Overseas Students Act 2000 (ESOS Act 2000 as amended), Education Services for Overseas Student Regulations 2001 (ESOS Regulations 2001 as amended) and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (the National Code).

Protection of fees paid in advance.

- Institute of Skills and Training Australia protects the fees that are paid in advance by all students.
- For overseas students, fee protection is ensured as follows:
 - Where a course is 25 or more weeks in duration, Institute of Skills and Training Australia will not require overseas students to pay more than 50% of course fees prior to course commencement for courses that are more than 25 weeks in duration. However, Institute of Skills and Training Australia provides students with the opportunity to pay more than 50% of their tuition fees prior to course commencement if they wish. Where a student chooses not to pay more than 50% upfront, the remaining amount will be collected according to an agreed payment schedule.
 - Where a course is less than 25 weeks, Institute of Skills and Training Australia will require students to pay the full cost of the course prior to course commencement.
 - Institute of Skills and Training Australia pays into the Tuition Protection Service (TPS) provided by the Australian Government.
 - All course fees will be held in a separate bank account that can only be drawn down when the student commences. The course fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system.
- Domestic students who study at Institute of Skills and Training Australia, fee protection is ensured through the following:
 - Institute of Skills and Training Australia does not require a non-overseas student to ever pay more than \$1500 in advance for services not yet provided, either prior to course commencement or at any stage during their course, including enrolment fees, tuition fees, materials fees and any other fee component that is a mandatory payment for the course; and
 - Fees will be paid off during the course in instalments according to an agreed payment plan.

1.2 Fees information

- Fee information relevant to a course is outlined in detail on Letter of Offer and Written Student Agreement as well as Institute of Skills and Training Australia's website. In compliance with Clause 5.3 of the Standards, detailed fee information is provided prior to enrolment or commencement of training, whichever is first.
- For overseas students, fee information is always provided prior to enrolment or receipt of payment as per the requirements of the National Code 2018 Standard 2 and 3.
 - All tuition and non-tuition fees are clearly itemised in Letter of Offer and the Written Student Agreement.
- Fee information provided to domestic and overseas students includes:
